# Skin Cancer Awareness

*Join us at The Kensington with guest speaker Dr. Daniel Kim to learn what you need to know to protect yourself.*

Daniel H. Kim, M.D., is an assistant clinical professor and radiation oncologist in the Department of Radiation Oncology at City of Hope Arcadia.

Dr. Kim earned his medical degree from the University of California, San Francisco (UCSF) School of Medicine, where he graduated with Alpha Omega Alpha honors, followed by an internship in internal medicine at the California Pacific Medical Center in San Francisco. He then joined City of Hope in 2010 as a resident in radiation oncology. In 2013, he was named chief resident, a position he held until joining our faculty full-time at City of Hope - Arcadia.
