

Positive & Effective Strategies for Dementia Care Using the Senior Gems®

Presented by Certified Educator Nathan Kirschenbaum

MODULE **2** Senior Helpers® Dementia Care Workshop Series

The Senior Gems focuses on what is precious and unique about each individual, understanding changes that take place as the disease progresses, and taking a positive approach to care using strategies that work, this program can help your loved one to continue to live a purposeful life.

This unique program will help you:

- Review characteristics of the different stages of dementia
- Techniques and strategies for effective engagement at each gem level
- Identify key strategies adapting to changing needs and functional skills
